

## WORSHIP WITH US !

**1800 L'eucharistie en français** : culte de l'Eglise d'Angleterre chaque samedi en français à St George's, Paris. Il inclut des hymnes, des chants et une homélie. Le culte, qui sera suivi de rafraîchissements, dure 45 minutes environ

**0830 Holy Communion** from the Book of Common Prayer (1662) is a traditional service lasting 25 minutes and has no hymns or sermon. It uses the language of Archbishop Cranmer and is one of the foundational texts of the English language. There is a short booklet that helps you follow the service.

### 1030 The Solemn Eucharist

This is the centre of our week at St. George's and our main service. It lasts approximately 75 minutes with hymns, a sermon and incense. During this service we have our Choir, the Sunday School for the children and the Crèche for the young ones.

The service is always followed by drinks in the parish hall and there is often a delicious lunch available for those who would like to stay.

### 1630 Messe Malgache

Twice a month the Malagasy community meets for the Eucharist in Malagasy.

**About our preacher—The Very**

**Rev'd Andrew Nunn:** *I am so looking forward to being part of Holy Week at St George's Paris in 2024. This will be my first Holy Week after retirement and so it will be exciting to be sharing it with a different congregation. Until July 2023 I was Dean of Southwark and had been at the cathedral since 1999. But whilst there, as in the other places in which I have ministered, Holy Week has been a*

*most important and wonderful experience. For me, much of that comes from being trained alongside the Community of the Resurrection at Mirfield. We will be pilgrims together, companions on the road with Jesus as we stand by both the cross and the empty tomb.*
